Congratulations! These students must pick up an information packet from Mr. Weaver and/or Ms. Burton in the band room this coming week.

The following students are tentatively assigned to the band front squads for the 2019-2020 school year pending attendance, grade, and discipline reports. Placement and continuation in A.I. duPont Band Program is at the sole discretion of the band directors. No student is guaranteed a position in the band if they fail to meet expectations.
